

MF New Chaps Victorious in National “Patticakes” Contest

MF continues to lead the way in providing the School with champion fives players. A 'first' for the Fives squads was achieved at the Rossall round of the National championships this year as the first pairing of Luke Williams (Yr 10) and Christopher Metcalfe (SE) won the Open competition. This year saw a larger entry than normal with schools coming from as far south as Lancing, Sutton Valence and Oundle, with the overall number of entrants up to well over 100!

The Open competition was won by Rossall who went through the whole competition unbeaten, winning their group dropping only 5 points in the process before beating Oundle 1 in the Quarter finals and St. Olave's 3 in semi final comfortably. The opposition in the final were again St. Olave's, this time playing their first pair who had won the nationals the previous year. With nearly 100 spectators crammed round the court Luke Williams and Chris Metcalfe won the final (15-7) with a series of terrific winners to bring home the trophy for the first time in the school's history.

The U15 competition was won by a MF pair which again featured Luke Williams, but this time his partner was Jack Morrison. They easily brushed aside their opponents with 'flair' before meeting their match against St. Olave's 1 in the final. Again a tight game duly followed, but the experience and class of the talented duo eventually saw Jack and Luke take the title (15-11). Luke went on to reach the final of the U15 singles losing to the number 1 seed from Wolverhampton Grammar school (15-13).

School Achievements

School Basketball Team Players U16 Development Squad

Joshua Eastham
