Section B

Location & Surrounding Area

Location

Rossall is situated on the picturesque coastland of the North West of UK set in an extensive 160 acre campus, Rossall caters for both day and boarding pupils from the UK and boarding pupils from abroad, delivering a rich curriculum of study, sport and recreation in a safe and supportive environment. This region of Britain is steeped in cultural and natural heritage, with the Lake District and Yorkshire Dales National Parks close by, yet is less than an hour from Manchester's international airport, and enjoys excellent transport links with the rest of the country.

- On the coast some 55 miles away from the cities of Manchester and Liverpool
- Manchester Airport : 55 minutes by road.
- Well away from the distractions of major cities
- London : under 3 hours by express train or 35 mins by air from Manchester or Blackpool
- Climate : Mild winters & warm summers

Places to See

Manchester

Old Trafford Football Ground

Rossall is located just under one hour away from Manchester. With the decline of traditional industries, Manchester has developed into a regional commercial centre of considerable importance. It has excellent shopping malls together with theatres, concert halls and cultural attractions that rival those of London, as well as being the home of the famous “Manchester United”. Its international airport is the UK’s busiest outside the capital and it has direct daily services to Europe, the Middle East, the Asian sub-continent, South East Asia and North America.

Liverpool

Liverpool is a similar distance from Rossall and this city again offers attractions to rival those of London. Famous as “the home of the Beatles” Liverpool is set to become the European Capital of Culture in 2008 with a variety of architectural, musical and artistic attractions. Liverpool airport has direct daily flights from a number of European cities.

Chester

Rossall is very much at the centre of a region with a rich cultural heritage. The medieval cities of Chester and York are easily accessible by road and rail. Two of Britain’s finest national parks are also close at hand. The Lake District, with its historic connections with famous English literary figures, is just one hour away whilst the Yorkshire Dales is equally accessible: both provide excellent potential for outdoor activities.

Rossall Campus by the Shore

Our extensive campus lies between two small coastal towns, Cleveleys and Fleetwood. Although close to the local towns, the size of Rossall’s campus gives students a safe, secure environment in which to learn, live and grow. The perimeter of the campus stretches along the shoreline, giving access to the beach for some sports and leisure activities.

Section C

Visa Application Procedure

From 31 March 2009 the UK Home Office will introduce a new Visa application procedure (called Tier 4 of the Points Based System) for students applying to study in the UK.

Previously, student visas have proved controversial amid allegations that it has been an entry route that is particularly open to abuse. For this reason, Rossall, as an education provider will be increasingly responsible for ensuring that overseas students obey the rules of their visas.

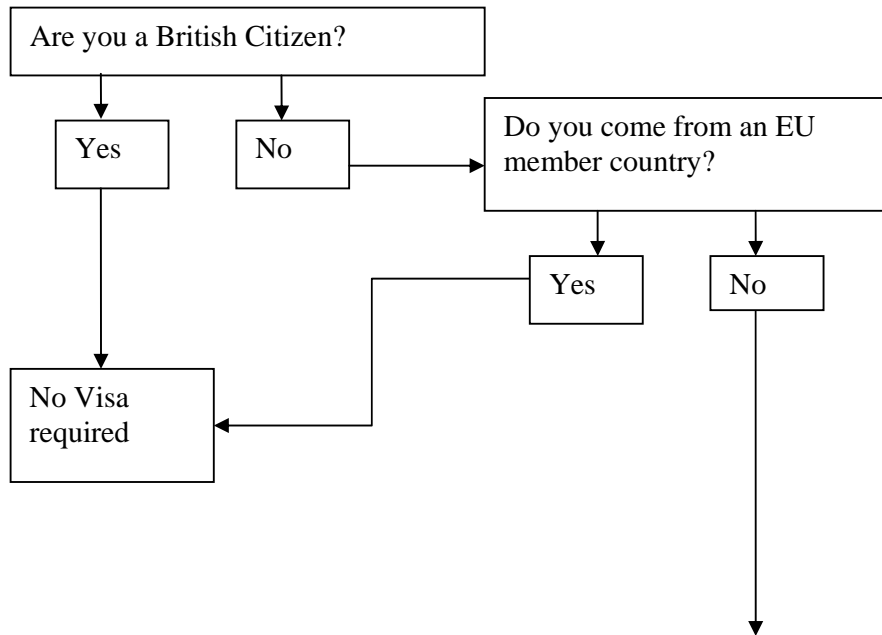

The aim of the tier 4 immigration service is to provide a more user-friendly, transparent route to studying in the UK.

Duration

Tier 4 student visa holders will be granted leave to enter the UK for the purpose of completing the desired course at Rossall. The duration of the student visa will take into account the time needed to complete and attend graduation at the conclusion of the course. Students will be able to change from one course to another at Rossall without needing to submit a new application, however changing school or obtaining a UK tier visa extension will require lodging another application.

Tier 4 of the new system is not intended as a route to settled status in the UK and does not provide the opportunity to apply for Indefinite Leave to Remain and will not lead to British naturalisation.

Please follow the flow chart below for your Visa application:

Before we can consider an application to Rossall, we require the following documentation:

- Registration Form
- Registration Fee
- Two most recent school reports
- Copy of Passport (details page) including the passport number

We may also ask for:

- The student to complete our assessment booklet
- To attend interview at Rossall or take part in a telephone interview

Before we can issue an Acceptance Certificate (also known as Confirmation of Acceptance for Studies - CAS) we require the following:

- Deposit paid
- Completed Acceptance form

In order to substantiate your visa application it is also advisable to pay the first term's fees to fulfill the financial means criteria.

You are now ready to apply for a Visa.

Section D

Fees & Term Dates

Fees & The Academic Year

The academic year consists of three terms (trimesters) beginning in September, January and April. **The fees below are based on the current academic year 2008-09. The fees for 2009-10 will be released soon.**

Contact: Mrs Alison Blythe

Guardianship Arrangements

The guardian's duties are to:

- represent the parents' interests
- safeguard the student's rights and welfare
- act in "*loco parentis*" should the need arise.

Rossall requires that all students whose home is outside mainland Europe, and all students from mainland Europe who do not return home for the mid-term or major holiday periods, have a guardian in Britain.

Who can be a guardian?

- Friends or relatives living in the UK but they must be prepared to offer the student a home during the holiday breaks as the boarding houses are closed at this time.
- Organisations who provide a professional guardianship service for students.

What duties will a guardianship organisation undertake?

- Care during the holidays (minimum service).
- Some organisations make regular visits to the school and attend parents meetings. Naturally, the cost will vary according to the service that you request.
- Whatever level of service you decide upon, you should not forget that Rossall provides an escorted transfer service for all students arriving at or departing from Manchester & Liverpool so this service need not be provided by a guardianship organisation.

Rossall requires all parents to confirm the name and address of the individual or agency who will be the student's guardian BEFORE the student enrolls at Rossall. (See "Form 2 – Notification of Guardianship" in the Downloads section of the website) If you wish to arrange guardianship through Cyan Guardianship Services, please complete "Form 4 – Cyan Guardianship Services" in the Downloads section of the website.

Section F

Uniform

Section G

Arrival in UK & Travel to Rossall

Arrival in UK and Travel

Flights

- Fly direct to Manchester or Liverpool if this is possible. If not, there are connections from London to Manchester
- If students are worried about travelling alone, contact the airline who will provide help, especially with changing planes.
- On arrival at the final destination by air, students ***must collect all of their luggage***, before continuing through Immigration and Customs.

Transfers to Rossall

- Rossall provides escorted transfers to and from Manchester and Liverpool airports.
- To use this service, flight details and arrival/departure time must be received by Rossall ***at least 3 days before travel***. The cost of the transfer is approximately half that of an airport taxi. See Form A in Section H: a copy of this form will be supplied with Rossall's "Welcome Pack" for new students, and with the reports at the end of each term for current students.
- The escorted transfer service monitors all flights and will wait at the airport for any student whose flight is delayed.
- A member of staff will wait in the Arrivals Hall (of the terminal specified on Form A) and meet the student after they have passed through Immigration and Customs.
- He or she will be holding a Rossall Sign and will transport the student straight to Rossall. The journey will take between 55 and 75 minutes, depending on the traffic.
- The contact number of P R Chauffeuring Services, the taxi company we use to transport the students to and from the airport is **07802 984600**.

Visas For Travel Within Europe

The possession of a British Student Entry Visa in a passport ***does not*** automatically allow entry to other EU countries. Where a student wishes to travel to another EU country during a holiday period, they must apply to each country for an Entry Visa: this process can be slow and time-consuming, often requiring a personal visit to a Consulate or Embassy.

Section H

Forms for Completion

The following forms are available in the Download section of our website. They **MUST** be completed and returned to Rossall at least one week before the pupil arrives:
