- ☉ Wed 17th Mar: U11 Girls Hockey Tournament St Mary's Hall 1pm start
- ☉ Thurs 18th Mar: Grandparents Afternoon Infants 2—3pm & Juniors 3—4pm

Today is the start of 'Arts Week' across the whole school. There are a number of events going on which may well interest and will certainly entertain you. They are all listed on the full programme which is available via a link on the school's website.

As far as the lower end of the school, 'Arts Week' begins today with the Junior Speech and Drama competition which Mrs Jean Briggs (Head of English) has kindly agreed to judge—many thanks to Mrs Mistry for organising it. On Tuesday the Junior Choir are entertaining all the pupils in the Dining Hall whilst enjoying their lunch. The Junior Concert is on Thursday night at 7pm in the Museum Theatre and the Infant concert is on Friday at 2.30pm, also in the Museum Theatre. Earlier in the morning the Infants will enjoy a performance of the 'Rainbow Fish' and are asked to come in non-uniform with colours of the rainbow being the theme! The week is rounded off by some of our Junior Choir taking part in the production of 'Oliver' on Saturday in Big School at 7pm.

Last week the Nursery enjoyed a fantastic bike ride around our beautiful campus—as the photos on page 2 and above show! There were lots of smiling faces and tired legs by the end—and that was just the Nursery staff!

Year 5 can be seen pond dipping on page 3 as part of their Unit of Inquiry on how animals adapt to their environment. Thursday was World Book Day which we celebrated in the Junior School with a Book Character Day. As ever, there was a fantastic array of costumes, wigs and accessories covering every angle of our rich literary heritage! Mr Parsons certainly stole the show as Captain Underpants!

We will of course keep you updated with all events across the whole school, but two future dates to draw your attention to are: -

- ☉ Tuesday 16th March—Mothers Day Service for Infants/Juniors—Chapel 2.30pm
- ☉ Thursday 18th March—Grandparents Afternoon Infants 2—3pm, Juniors 3—4pm

Have a good week

Mr S James
Head of Juniors

Rossall Nursery—Bike Ride!

Rossall Juniors— Year 5 Pond Dipping

On Thursday 4th March 5C carried out an investigation to find out what organisms we could discover at the Rossall pond. We took turns to dip our fishing nets in the gloopy pond, we found quite a lot of bugs like the Waterboat men, the swimming and burrowing nymph fly, non-biting midge larva and a leech. I enjoyed finding out about the bugs under the water. My favourite bug was probably the Waterboat man because I think they are amazing! I loved dipping the net into the water it was fun!
