Re: Activate Sport Taster Day and Holiday Programme at Rossall School

Dear Parent,

We are very pleased to be able to tell you that during this year's Easter and Summer holiday periods, the **Activate Sport** activity, sport and adventure programme will be coming to Rossall School.

The **Activate Sport** programme will cater for children from Rossall and children from other Schools around the Fylde coast age 5-18 providing a whole range of fun sports and activities from Monday to Friday each week over the Easter and Summer holiday periods.

Activate Sport has very kindly offered to come in to talk to our pupils during Assembly on Monday 25th February about the programme.

In the meantime for full details of the **Activate Sport** programme at Rossall during the Easter and Summer holidays please see the brochure enclosed with this letter. Details will also be available on our website: www.rossallschool.org.uk/summer_courses.

Yours sincerely,
