Re: Open Day Saturday 29th September 2007

Dear **Parent** and Student

We would like to invite you to our next Open Day on Saturday 29th September.

If you are considering moving up into Sixth Form at Rossall after you have completed your intensive English Language course in the International Study Centre, our Open Day will be a great opportunity for you to go on a guided tour of the Senior School, view our educational and pastoral facilities and enjoy a delicious buffet lunch.

You will also be able to meet some of the Senior School and Sixth Form pupils as they take part in a wide range of school lessons, activities and sports that make up our school day. Together with Mr Livingstone, Mr Edgell and the subject teachers, I will be on hand to answer any questions you may have.

From 2008, we will not only be offering A-Levels and the International Baccalaureate Diploma at Sixth Form, but also the BTEC National Diploma in Design. The course will be taught jointly by the departments of Art and Design Technology and will offer pupils a chance to specialise in the area of art and design whilst giving them a qualification equivalent to three A-Levels. What's more, pupils who choose the BTEC National Diploma in Design will be exempt from having to study a Foundation Year, prior to Art College or University, which is a great saving in both time and money. Over the summer holidays we have invested heavily into the Design Technology department to bring our facilities up to the required standard for the course and the improved department will be available to view on Open Day.

Registration is at 10.00 am in 'Big School' located in the Square followed by the Headmaster's address at 10.20am. Lunch will be served at 1pm.

Parking will be in the main Chapel car park, which is accessed, using South Drive only.

If you would like to attend, please see Lynda Smith or Chelsea Thompson in the Admissions Department in the International Study Centre office.

Yours sincerely,

A handwritten signature in black ink that reads "Tim Wilbur". The signature is written in a cursive style with a large, sweeping initial 'T' and a horizontal line under the name.

Tim Wilbur
Headmaster
