

Houseparents,

- Please bring this to the attention of your IB pupils.
- Please would you provide me with a return by **Tuesday 25th September** of those willing to take part.
- Mr Wilbur is of a mind that all available Lower 6th IB should do so, and those Upper 6th IB who are short of Service.

C.A.S. OPPORTUNITY

- Rossall is developing a link with Manor Beach Primary School aimed at providing our students with an opportunity of working with pupils there during the lunch-break.
- This will involve supervising activities, encouraging games, helping clubs and various other activities that will develop.
- This will take place on Tuesdays and Fridays. I intend to use a rota so that the most frequently anyone does this is every other week.
- Because of timetable differences, this will require us to leave Rossall at 11.45am by Minibus, returning for lunch at 1.05pm, and so can only involve those who have a Study Period in School 3 on those days.
- The following people are not timetabled in School 3 on the days indicated.
- This will count as Service for your CAS.

Taking note of Mr Wilbur's views, if you are willing to take part in this, please indicate on the attached list.

Revd Stephen Cooper
CAS Co-ordinator
